**TOYOTA**. ALWAYS A **BETTER** WAY

TOYOTA

ALWAYS A
**BETTER** WAY

# LIFTS UP YOUR SPIRIT

**Toyota Yaris brings a shot of adrenaline to everyday driving.**

Model shown is Hybrid Chic Blue Bi-tone.

# STYLE THAT GIVES YOU A BOOST

**There's a contagious spirit about Yaris.** Its bold colour range, energetic lines and stylish features don't just ensure a stress-free and comfortable driving experience, its natural flair can turn an ordinary trip into a journey packed with energy and vigour.

And to celebrate 20 years of Yaris, the Y20 Limited Edition brings back the striking Gold colour that launched this game-changing car, now even more eye-catching as a stunning Bi-tone.

**Model shown is Y20 Gold Bi-tone.**

YARIS HYBRID

# HAPPY INSIDE

**Refinement, comfort, control – that's all the inside information you need to know about Yaris, but it's certainly not all you get.** Elegant features – such as electric power steering and a 3-spoke leather steering wheel – housed in a flowing, effortless interior mean you'll not only get a pleasing glow from driving solo, you'll happily offer friends lifts home, too.

**Model shown is Hybrid Chic Blue Bi-tone.**

# YOUR ROOMY CITY CAR

**Yaris is a compact that boasts ample luggage space to accommodate any modern life.**

1.

2.

**1. Fold-down seats**
Should you find yourself in a situation where you need to transport more awkwardly sized luggage, Yaris has the answer. Its back seats fold down effortlessly in seconds to accommodate bigger items where necessary.

**2. Boot space**
A neat trick of Yaris is its uncanny ability to feel incredibly agile and compact negotiating busy traffic, yet amply roomy once inside. The amount of boot space is testament to this.

# DYNAMIC CONTROL IN THE YARIS

**Modern drivers demand complete control of their world when behind the wheel, and as soon as you enter the Yaris cabin, there's no doubt that you're fully in charge.** With the amount of technology and information at your fingertips – including an information display, steering wheel controls and an intuitive multimedia system with smartphone integration – you are very much in control of what happens on your journey and therefore just how you arrive.

**Model shown is Hybrid Chic Blue Bi-tone.**

# FIND YOUR ROUTE, MUSIC AND MORE

**Take complete control of every journey with advanced Toyota technology at your fingertips.**

1.

2.

**1. Smart, simple and connected**
A clever new multimedia system features smartphone integration and 6 speakers. In combination with Apple CarPlay™ (as pictured in detail 1 on the left), the system takes the user interface of your iPhone and lets you use your apps on the 7" touch screen to make finding your way, staying entertained and keeping connected effortless. This system also supports Android Auto™ using compatible Android devices.

Works with Apple CarPlay

androidauto

Smartphone integration is compatible with Apple CarPlay™ and Android Auto™. Your phone needs to be connected via USB. Apple CarPlay™ is available on iPhone 5 and above. Android Auto™ is available for downloading on phones running 5.0 (Lollipop) or higher. Check the availability for your countries. Apple CarPlay™ is a registered trademark of Apple Inc. Android™ and Android Auto™ are trademarks of Google LLC.

**2. TFT screen**
Yaris' information display can be used to monitor every aspect of your journey, including speed, distance to empty, the car's average fuel economy, the current fuel economy and hybrid monitoring.

# PACKS A PUNCH

**Refreshing and energising, quiet and effortless, intelligent and reliable –** there are a number of welcome combinations at play across Yaris Hybrid that not only conserve the car's energy, they help transform an ordinary drive into a memorable, dynamic journey. Our hybrid technology has helped millions of people across the globe fall in love with driving again and is now available across all Yaris grades, boasting improved ride comfort and still with the best-in-class $CO_2$ emissions.

**Model shown is Hybrid Chic Blue Bi-tone.**

# UNDER PRESSURE

**Tight city streets, bustling pedestrians, fast-moving cyclists –** no matter what obstacles the road throws at you, you can always trust Yaris is ready.

# CONFIDENCE

## TRUST A YARIS

**Yaris comes with Toyota Safety Sense* as standard. Active technologies allow you to be confident even under the most intense driving pressures.**

* Please check pages 56–58 for specifications.

**1. Automatic High Beam**
Detects the lights of oncoming vehicles and traffic ahead while monitoring the brightness of streetlights, to allow automatic switching between high and low beam for safer nighttime driving.

**2. Lane Departure Alert**
Detects lane markings in the road ahead and alerts the driver with audible and visual warnings should the vehicle start to deviate from its lane without the turn indicator being applied.

**3. Road Sign Assist**
Monitors road signs ahead and displays key information, such as the current speed limit, in clear view.

**4. Pre-Collision System**
When the risk of collision is detected, audio and visual warnings and brake assistance are activated. If the driver fails to respond in time, the brakes automatically engage.

**Model shown is Hybrid Chic Blue Bi-tone.**

# PACKS

**Your choice for style and personality.**
The accessories in each pack are cleverly themed to give a look of coordinated individuality.

## COLOUR PACK

**Flexibility to express yourself with styling accessories in red, blue or lime green.**

# SPORT PACK

**Modern styling and red colouring combined in accessories with distinct sports appeal.**

**1. Fog lamp surround**
Shaped and coloured to emphasise your car's front fog lamps.

**2. Front bumper liner**
Introduces a new dynamic to the distinctive Yaris bumper and grille.

**3. Deco-line on door mirrors**
Bold colouring makes even more of the curvaceous Yaris wing mirrors.

**4. Rear bumper liner**
Adds a colour element to the Yaris rear bumper.

**5. Rear lower trunk decoration**
Adds an eye-catching coloured highlight to the Yaris rear-end design.

**6. Side sills**
Accents your car's side contours with an extra splash of colour.

**7. Side sticker**
Side stripes in vivid red suggesting untamed energy.

**8. Front and rear bumper liner**
Adds a styling element to the rear bumper, colour-coordinated with the side stickers.

**9. Scuff plates**
Protect sill paintwork while adding extra style to the cabin interior.

# ELEGANT PACK

**Touches of black to accentuate the compelling style and sophistication of your Yaris.**

**1. Exterior sticker**
The double line graphics add emphasis to the side panel contours.

**2. Scuff plates**
A mark of luxury for the cabin while also protecting sill paintwork.

1.

The fuel consumption and $CO_2$ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and $CO_2$ values may be calculated based on the ordered optional equipment. The fuel consumption and $CO_2$ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and $CO_2$ emissions. For more information regarding the new WLTP test method, please visit: https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light

# TOYOTA ENVIRONMENTAL CHALLENGE 2050

## TOYOTA ENVIRONMENTAL CHALLENGE 2050

Toyota has set out 6 environmental challenges to be completed by 2050. The objective being to achieve sustainable development together with society.

### Challenge 1
New Vehicle – Zero $CO_2$ Emissions Challenge.

### Challenge 2
Life Cycle – Zero $CO_2$ Emissions Challenge.

### Challenge 3
Plant – Zero $CO_2$ Emissions Challenge.

### Challenge 4
Challenge of Minimising and Optimising Water Usage.

### Challenge 5
Challenge of Establishing a Recycling-based Society and Systems.

### Challenge 6
Challenge of Establishing a Future Society in Harmony with Nature.

## TOYOTA'S LIFECYCLE APPROACH TO ENVIRONMENTAL ISSUES

### Design & Manufacture
Each design detail on our vehicles is analysed to ensure the lowest possible environmental impact throughout its life cycle.*

### Logistics
Toyota is always looking to employ the most efficient and environmentally friendly logistical and delivery methods.

### Vehicle Retail
Improvements in the environmental efficiency of Toyota's network of showrooms is an on-going commitment.

### Driving & Servicing
Driving your Toyota more efficiently and by using genuine parts can help to save money and reduce further impact on the environment.

### Reduce, Reuse, Recycle
95% of every Yaris is reusable and recoverable. In addition, our environmental policy means that we offer you new and innovative ways of returning your vehicle when it eventually reaches "the end of the road".

TÜVRheinland CERTIFIED — LCA Method Certified — www.tuv.com ID 0000045604

* In order to reduce the environmental impact of its vehicles, Toyota has introduced the Eco-Vehicle Assessment System (Eco-VAS) to set and achieve environmental targets such as life cycle $CO_2$ and recyclability, under the guidance of the chief engineer, including at the development stage. In this system, we conduct LCA which assesses the impact of the vehicle life cycle on the environment at all stages including materials and parts manufacturing, vehicle assembly, driving, maintenance, and disposal.

Toyota's LCA methodology, which is applied to our passenger vehicles was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

The Toyota Yaris is built to the highest quality standards at TMMF in France.

For more information on Toyota's environmental activities please visit www.toyota-europe.com/world-of-toyota or contact your local Toyota retailer.

## COMPLETE PEACE OF MIND WITH TOYOTA

### Hybrid Service Programme
Hybrid Battery Extra Care cover[§] on an annual/15,000 km basis (whichever comes sooner) up to the 10th year from vehicle registration date.

### Quality Service
Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

### Low Maintenance Costs
All Toyota vehicles are designed and engineered to minimise your maintenance costs.

### Genuine Parts
Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

### Genuine Accessories
Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[◊].

### Comprehensive Warranty
Every new Toyota comes with a 3-year/100,000 km vehicle warranty[◊], which covers any defect caused by a manufacturing fault**.

### Toyota Eurocare
Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years[§§].

### Added Security
Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

[§] Check with your retailer for specific Toyota Hybrid Service Programme details. [◊] Check with your retailer for specific warranty details. ** Transport to the nearest authorised Toyota repairer will also be covered. In addition 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship. [§§] Belgium 5 years/Portugal and Denmark 1 year.
