

# COROLLA SEDAN

# WE MAKE IT HYBRID

## THE COROLLA HYBRID. WE CHOOSE HYBRID

The world's best-selling car is now even more appealing. With an innovative self-charging Hybrid powertrain and a completely new approach to design and engineering, the Corolla is back – and it's even more fun to drive. A sleek look matches its spirited performance, while upgraded technology and updated safety features make sure the Corolla Sedan is better than ever before.

**YOU  
MAKE  
IT**

**COROLLA**

WE  
MAKE  
IT

# SELF- CHARGING

YOU MAKE IT

# POSITIVELY CHARGED

**RESPONSIVE, SMOOTH AND  
INCREDIBLY EFFICIENT**

With its responsive 1.8 litre Hybrid powertrain, the Corolla Sedan makes driving a joy. Smooth, quiet and incredibly efficient, its electric motor works in harmony with the petrol engine to deliver the acceleration you need, when you need it – exactly what you'd expect from a company that's been building Hybrids for more than 20 years. And because the car charges itself by recovering energy in real-time, you don't even need to plug it in. This is Hybrid, the way it was meant to be.

WE MAKE IT

# EFFICIENT

## DESIGNED TO BE ENJOYED

The Corolla Sedan is built using the Toyota New Generation Architecture (TNGA) platform. As a result, its centre of gravity is lower and its chassis is more rigid, delivering dynamic handling and giving you a greater sense of control. Improved suspension ensures a smoother, quieter, more comfortable ride, while the 1.8 litre Petrol Hybrid delivers a driving experience that is as exhilarating as it is efficient. As an alternative, our advanced 1.5 litre petrol engine provides performance you can rely on, whatever the driving situation.

IT

STAND OUT

YOU MAKE IT

**IN STYLE**

## **SLEEK AND DYNAMIC – IN LOOKS AND SUBSTANCE**

The body of the Corolla Sedan is characterised by refined, flowing lines, while its streamlined silhouette and wide stance lend it an undeniable sense of power. A wealth of contemporary exterior details complement its distinctive design, including LED lamps, piano black grilles, chrome accents and 18" bi-tone alloy wheels. Consider its substance and style in equal measure.

WE MAKE IT

REFINED

## SPACIOUS WITH ABSOLUTE COMFORT FOR ALL

The Corolla Sedan is built around a thoughtfully designed, premium interior. Spacious and light, it puts every control at the driver's fingertips, while offering class-leading comfort for each passenger. With heated front and rear seats, convenient storage areas throughout, dual-zone air conditioning and atmospheric blue ambient lighting, the Corolla Sedan is a place where you feel comfortable, wherever you need to go.

YOU MAKE IT

**COMFORTABLE**

WE MAKE IT

**HELPFUL**

YOU MAKE IT

EASY

With the Head Up Display projecting essential information onto the windscreen, you can keep your eyes on the road at all times.

### CLEVER FEATURES, SIMPLE TO USE

The cockpit effortlessly combines the distinct interior design with a suite of helpful technology that couldn't be easier to use. Six speakers deliver crystal-clear sound, while the Toyota Touch® 2 media and navigation system is accessed via the 8" full-colour touchscreen. And with voice recognition, you can make calls and control the music without taking your hands off the wheel – delivering a truly connected drive.

WE MAKE IT  
**READY**

YOU MAKE IT

# HOME SAFELY

## PEACE OF MIND AT ALL TIMES

Safety is not an option – it's standard. All Corolla Sedan grades come equipped with the unique Toyota Safety Sense – an array of updated safety features that makes driving easier and safer for you and other road users alike. The Pre-Collision System has been updated to include Night-Time Pedestrian Detection, allowing the car to recognise people in its path and automatically react if needed – no matter how dark it is outside. Plus, with its daytime cyclist detection technology, the Corolla Sedan spots bicycles too.

### ALSO INCLUDING

#### Full-range Adaptive Cruise Control

Maintain a constant speed without the use of the accelerator pedal, keeping a minimum, pre-set distance from the vehicle in front. If this distance falls or rises, the system reduces or increases its speed to preserve the distance between the car and the vehicle ahead.

#### Lane Trace Assist

To position itself in the road, the car uses either lane markings or the driving path of the vehicle ahead. If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

#### Automatic High Beam

Detects the lights of oncoming vehicles and traffic ahead while monitoring the brightness of streetlights to allow automatic switching between high and low beam for safer night-time driving.

#### Road Sign Assist

Monitors the road signs ahead and displays key information such as the current speed limit in clear view.

# ACTIVE GRADE

ESSENTIAL FEATURES, EXPERTLY  
COMBINED – FROM ADVANCED  
TOYOTA SAFETY SENSE TO PRIME  
COMFORT AND CONVENIENT  
MULTIMEDIA TECHNOLOGIES.

## FEATURES

### Main features – Active

- 15" steel wheels with wheel caps (8-spoke)
- Piano black upper front grille
- Dusk sensor
- Hill-start Assist Control (HAC)
- Road Sign Assist
- Dark brown fabric with beige inserts or black fabric
- 6 speakers
- Satin chrome surround on gear shift console
- Clean air filter

### Optional features – Active

- Front fog lamps

### Main features – Hybrid Live

- Chrome window frame
- Full-range Adaptive Cruise Control
- Lane Trace Assist
- Dark brown fabric with beige quilted inserts or black fabric with quilted inserts
- Satin chrome surround on multimedia display
- Satin chrome insert on centre air vents
- Satin chrome insert on front door assist grips
- Dual-zone automatic air conditioning
- Rear cup holders

## FEATURES

### Main features (additional to Hybrid Live)

- 16" alloy wheels (10-spoke)
- Front fog lamps (LED type)
- Rear-view camera
- Toyota Touch® 2 multimedia system
- 8" multimedia display
- Dual-zone air conditioning
- 3-spoke leather steering wheel
- 7" screen for information display

# MID GRADE

STYLING, FINISHES AND  
FEATURES DESIGNED TO GIVE  
YOU AND YOUR PASSENGERS  
THAT LITTLE BIT MORE.

# STYLE GRADE

AN ABUNDANCE OF TECHNOLOGY  
AND EXTRA STYLE, FOR THOSE  
WHO WANT A CAR THAT MATCHES  
THEIR AMBITION, AS WELL AS  
THEIR LIFESTYLE.

## FEATURES

### Main features (additional to Mid)

- 17" bi-tone black & machined-face alloy wheels (10-spoke)
- Chrome insert on front bumper
- Privacy glass on rear windows
- Rain sensor
- Automatically retractable door mirrors
- Bi-beam LED headlamps
- Headlamp cleaners
- Front parking sensors
- Rear parking sensors
- Electrochromatic rear-view mirror
- Heated driver & front passenger seats

## FEATURES

### Main features (additional to Style)

- Smart Entry & Start System
- Dark brown or black partial leather with beige stitching
- Leather-like front door armrests
- Light blue ambient lighting on front and rear doors
- Heated steering wheel
- Heated rear seats
- Wireless mobile phone charger
- LED headlamps

### Optional features

- 18" bi-tone grey & machined-face alloy wheels (5-double-spoke)
- Intelligent front and rear parking sensors with automatic braking
- Simple Intelligent Parking Assist (Simple IPA)
- Rear Cross Traffic Alert (RCTA)

# HIGH GRADE

THE ULTIMATE COROLLA SEDAN SPECIFICATION, OFFERING THE BEST FINISHES, FEATURES AND TECHNOLOGY.

Pushing the limits for Better

INSPIRED BY THE RACETRACK  
TO BRING OUT THE DYNAMIC  
CHARACTER OF YOUR TOYOTA.

## FEATURES

- Exclusive exterior body colour – Dynamic Grey
- 17" machined-face alloy wheels (10-spoke)
- Piano black front bumper and ornament, upper and lower grille and mirrors
- Rear spoiler
- Privacy glass
- GR SPORT badge
- Grey fabric with black leather-like bolsters & satin chrome ornament
- Front sports seats with back seat pocket
- Red stitching on steering wheel

### Optional features

- 18" bi-tone black and machined-face alloy wheels (5-double spoke)\*
- Bi-beam LED headlamps
- Ambient lighting
- Head Up Display
- Heated steering wheel

\* Hybrid only.

WE MAKE IT

# COROLLA HYBRID

YOU MAKE IT

# YOUR CHOICE

An exciting journey lies ahead, as an icon becomes a Hybrid. The Hybrid Corolla Sedan may be redesigned, reengineered and rejuvenated, but the integrity that made it one of the most-loved cars of all time has certainly remained. Alongside the Corolla Sedan are two additional body types – providing choices ideal for every kind of driver. The dynamic, sporty Corolla Hatchback is practical, versatile and easy to park – making it a breeze in any urban environment. For those who need more space, there's the Corolla Touring Sports, offering practicality and comfort in equal measure. Whichever body type you choose, you'll enjoy Toyota's self-charging Hybrid and Corolla's illustrious reputation.

WE MAKE IT

# CONNECTED

*MyT* by Toyota

MyT is a set of connected services for your car, designed to make your life easier. Through the MyT app, you can link up and stay in contact with your Toyota, opening up a world of possibilities. For example, you can plan journeys before you leave, then send the destination directly to the car's satnav. And if the last leg of your journey needs to be completed on foot, you can share the directions with your phone again. What's more, because the MyT app stores data about how you drive, it could even lower your insurance premiums. Perhaps most useful of all, you'll never forget about your next service, thanks to maintenance reminders linked directly to your car's mileage. With the MyT suite of connected services, you can save time, money and worry – every day.

For more information visit: [www.toyota-europe.com/MyT](http://www.toyota-europe.com/MyT)

# YOU MAKE IT HAPPEN

## Driving Data

Record and review all your driving data, including speed, acceleration and mileage.

## Car To Door

This service transfers data from the satnav system to your phone, for journeys that need to be completed on foot.

## Find My Car

Powered by Google Maps, Find My Car tells you exactly where your car is – so you will always remember where you parked.

## Service Reminders

With advance maintenance reminders based on your car's actual mileage, you'll never miss a service again.

## Share To Car

Plan a journey from the comfort of your home – or anywhere. With MyT, you can send your destinations directly to your car's navigation system.

## Usage Based Insurance

By enabling the recording of your mileage, this feature could give you access to better car insurance deals.

# ACCESSORIES

## TO SUIT EVERY LIFESTYLE

With genuine Toyota accessories, you give your Corolla Sedan a personal touch that suits your lifestyle, and you can add practicality without compromising on looks.

## CHROME PACK

Add a subtle, sophisticated chrome finish to your Corolla Sedan, with side sills and a rear lower boot garnish.

### Side sills

A gleaming chrome accent that runs neatly along each side of your Corolla, below the doors.

### Rear lower boot garnish

A chrome strip that sits just under the boot lid and traces the lines of the rear lamps, drawing the eye to the rear of your car.

## STYLE PACK

Complement the flowing lines of your Corolla Sedan with a collection of enhancements that add real road presence.

### Rear spoiler

Boost the aerodynamic performance of your car while adding an undeniably sporty aesthetic.

### Side sills

Chrome side sills that run low along the side of the car, to give it a touch of racetrack style.

### Scuff plates

Protect the finish on your door sills with a set of smart scuff plates, adorned with the Toyota Hybrid logo.

# ACCESSORIES

## HOLIDAY PACK

Now you can take even more luggage with you, thanks to a roof rack and ski box created specifically for the Corolla Sedan.

### Roof rack

Enjoy extra carrying capacity with this fully lockable aluminium roof rack. Easily installed, it sits low on the roof, reducing wind noise and aerodynamic impact.

### Thule Motion 800 ski box

This streamlined storage box adds space for skis, snowboards or anything else you might want to take with you on holiday. With a key that can't be removed until all locking points are closed and easy access from either side, it's safe and convenient too.

## HYBRID PACK

A Toyota Hybrid offers countless benefits, including eye-catching design. This set of accessories adds a sense of Hybrid energy to your Corolla Sedan.

### Key cover

Keep your keys safe and easy to find in this handy key cover, adorned with the Toyota Hybrid logo.

### Scuff plates and floor mats

Nothing sees rough treatment like the carpets and door sills of your car. So protect them from wear and tear while adding a stylish touch.

## PROTECTION PACK

Keep your Corolla Sedan in the best condition possible with accessories designed to protect it from everyday bumps and scrapes.

### Mud flaps

Stop flying mud, water spray and stone chips damaging your lower body paintwork, with mud flaps for each wheel.

### Boot liner

Keep the inside of your boot free from dirt, scratches and anything else it might encounter, with a perfectly fitting, anti-slip boot liner.

### Rear bumper protection plate

Your Corolla Sedan will be kept at its gleaming best with a rear bumper protection plate – shielding the rear paintwork when you load or unload the boot.

<b>Exhaust emissions (regulation EC/715/2007 as amended by EU 2018/1832 AP)</b>			
Euro class	EURO 6 AP	EURO 6 AP	EURO 6 AP
Carbon monoxide, CO (mg/km)	125	166.7	121
Hydrocarbons, THC (mg/km)	16.3	12.9	12.7
Hydrocarbons, NMHC (mg/km)	14.0	10.6	11.0
Nitrogen Oxides, NOx (mg/km)	2.3	5.5	6.8
Sound level drive by (dB(A))	68	68	70

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

# TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one throws up its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

## CHALLENGE 1

### NEW VEHICLE ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

## CHALLENGE 4

### MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

## CHALLENGE 2

### LIFE CYCLE ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## CHALLENGE 5

### ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Corolla Sedan is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

For more information regarding Toyota Environmental Challenge please visit:  
[www.toyota-europe.com/world-of-toyota/feel/environmental-sustainability](http://www.toyota-europe.com/world-of-toyota/feel/environmental-sustainability)  
or contact your local Toyota retailer.

\* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

## YOUR COMPLETE PEACE OF MIND WITH TOYOTA

### CHALLENGE 3

#### PLANT ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

### CHALLENGE 6

#### ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota Corolla is built to the highest quality standards at TMMT in Sakarya, Turkey.

#### HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover<sup>§</sup> on an annual/15,000 km basis (whichever comes sooner) up to the 10th year from vehicle registration date.

#### QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

#### LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

#### GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

#### COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty<sup>¶</sup>, which covers any defect caused by a manufacturing fault<sup>\*\*</sup>.

#### ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

#### TOYOTA EUROCARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years<sup>§§</sup>.

#### GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle<sup>¶</sup>.

For more information on peace of mind visit: [www.toyota-europe.com/service-and-accessories](http://www.toyota-europe.com/service-and-accessories)

<sup>§</sup> Check with your retailer for specific Toyota Hybrid Service Programme details. <sup>¶</sup> Check with your retailer for specific warranty details. <sup>\*\*</sup> Transport to the nearest authorised Toyota repairer will also be covered. In addition 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship. <sup>§§</sup> Belgium 5 years/Portugal and Denmark 1 year.

WE MAKE IT

**HYBRID**

Since 1966, the Toyota Corolla has stood for a unique combination of style, reliability and driving pleasure. Now, more than 45 million cars later, Corolla leads the way once again, thanks to Toyota's unique self-charging Hybrid. And with innovative technologies, updated features, refined trim grades and a sleek design, the Corolla Sedan could well be the smartest decision you'll ever make.
